UNDERWATER EXPLORER ASSUMPTION OF RISK AND LIABILITY RELEASE AGREEMENT

Please read carefully and fill in all blanks before signing.

I, _____, parent/guardian and _____, participant, hereby affirm that we are aware of and understand there are inherent hazards associated with scuba diving which may result in serious injury or death. We understand there are certain risks associated with aquatic activities conducted in and around a swimming pool or confined water dive site, and we expressly assume the risk of said injuries.

We understand the PADI Underwater Explorer program is a series of PADI programs which will be conducted in a swimming pool. We understand that my child may choose to participate in one or all of these activities. These activities include, but are not limited to, AquaMissions involving the introduction of basic dive skills and specialty dive activities, as well as specialty dive Expeditions. These AquaMissions and Expeditions may include, but are not limited to activities such as Creature ID Specialist, Environmental Specialist, Inner Space Specialist, Navigation Specialist, Night Specialist, Safety Specialist, Search and Recovery Specialist, Skin Diver Specialist, Snapshot Specialist, Wreck Specialist; and Navigate, Sharks, Digital Photo, Night, Ohio Fish ID, Ocean Fish ID, Skin Diver, DPV, Boat Diver, Rescue, and AWAREness.

Further we understand and agree that this Liability Release Agreement encompasses and applies to all the specialized Underwater Explorer activities in which my child chooses to participate within one year from the date on which I and my child execute this Release.

We understand that diving with compressed air involves certain inherent risks and my child will be exposed to those risks. Decompression sickness, embolism or other hyperbaric injuries can occur which require treatment in a recompression chamber. We further understand that this activity may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. We still choose to proceed with these activities in spite of the possible absence of a recompression chamber.

We understand and agree that neither the dive professionals conducting this activity nor Aquatic Realm Scuba Center, nor PADI Americas, Inc., nor any of their respective employees, officers, agents or assigns (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to my child, me, my family, our heirs or assigns that may occur as a result of my child's participation in this activity or as result of the negligence of any party, including the Released Parties, whether passive or active.

We further understand that scuba diving is a physically strenuous activity and that my child will be exerting him/herself during this activity and that if my child is injured as a result of heart attack, panic, hyperventilation, etc., that we expressly assume the risk of said injuries to my child. We affirm that we will not hold the Released Parties responsible for the same.

In consideration of my child being allowed to participate in this activity we hereby personally assume all risks in connection with the activity for any harm, injury or damage that my befall my child while participating in the activity, including all risks connected therewith, whether foreseen or unforeseen.

We further release and hold harmless said activity and the Released Parties from any claim or lawsuit by my child, me or my family, or our estate, heirs or assigns, arising out of my child's participation in this activity.

I further state that I am of legal age and legally competent to sign this Assumption of Risk and Liability Release Agreement, and as the parent am providing written consent for the participation of my child. We understand that the terms herein are contractual and not a mere recital and that we have signed this Release of our own free act and with the knowledge that we hereby agree to waive our legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the un-enforceable provision had never been contained herein.

We understand and agree that we are not only giving up our rights to sue the Released Parties but also any rights our heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from the death of my child. We further represent we have the authority to do so and that our heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of our representations to the Released Parties.

I, _____, PARENT/GUARDIAN AND _____ PARTICIPANT, BY THIS INSTRUMENT DO EXEMPT AND RELEASE THE DIVE PROFESSIONALS CONDUCTING THIS ACTIVITY, AQUATIC REALM SCUBA CENTER, PADI AMERICAS, INC., AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH, HOWEVER CAUSED, INCLUDING BUT NOT LIMITED TO THE NEGLIGENCE OF THE RELEASED PARTIES. Diver Medical | Participant Questionnaire

Recreational scuba diving and freediving requires good physical and mental health. There are a few medical conditions which can be hazardous while diving, listed below. Those who have, or are predisposed to, any of these conditions, should be evaluated by a physician. This Diver Medical Participant Questionnaire provides a basis to determine if you should seek out that evaluation. If you have any concerns about your diving fitness not represented on this form, consult with your physician before diving. If you are feeling ill, avoid diving. If you think you may have a contagious disease, protect yourself and others by not participating in dive training and/or dive activities. References to "diving" on this form encompass both recreational scuba diving and freediving. This form is principally designed as an initial medical screen for new divers, but is also appropriate for divers taking continuing education. For your safety, and that of others who may dive with you, answer all questions honestly.

Directions

Complete this questionnaire as a prerequisite to a recreational scuba diving or freediving course.

Note to women: If you are pregnant, or attempting to become pregnant, *do not dive*.
